PHILIPS
sonicare

Highlights

Easy-to-fill reservoir

Easy-to-fill reservoir uses only a tiny amount of water for less mess. Fill with mouthwash for enhanced oral health benefits.

Microburst technology

Microburst technology applies a quick burst of pressurized air and micro-water droplets to clean deep between teeth where a toothbrush can't reach

Removes up to 99% more plaque

This Sonicare toothbrush removes up to 99% more plaque between teeth than brushing with a manual toothbrush alone; Proven to improve oral health effectively.

Simple one-button use

Simple one-button use for easy cleaning in 60 seconds.

Slim, angled nozzle

Slim, angled nozzle for easy to even the hard-to-reach areas

Naturally whiter teeth

Dynamic Cleaning Action and direct broader contact with each tooth, has proven to remove everyday stains, to help keep teeth naturally whiter.
